LEADERS MEET**

ABOUT MILM

Model International Leaders meet is a conference/-meet platform where youth leaders get an opportunity to develop public speaking skill, research ability and diplomacy that helps them to become a better leader. MILM aims to engage youth leaders from all over India and provides them a platform to represent countries and put forth their position, opinions as a representative of that allotted country on the agenda of that year. It is a platform to Think, Share and Grow. This meet brings about the exposure and understanding of international relations and a chance to actually make a difference.

This year's theme for MILM is Combating Climate Change through Clean Energy. Delegates will understand the measures taken by different countries and come up with innovative ideas to mitigate climate change by adopting clean energy solutions.

ABOUT RMP AND IIDL

Rambhau Mhalgi Prabodhini (RMP) was initiated as a unique leadership development academy with an aim to nurture, impart training and capacity building of elected representatives, social workers, as well as people running institutions, organizations, and start-ups. Initiated by Rambhau Mhalgi Prabodhini (RMP), Indian Institute of Democratic Leadership's course is a one of its kind structured Post Graduate course to comprehensively understand leadership-science, politics and governance. The Programme is targeted at students and young professionals who wish to build a career in the field of politics, governance, public affairs and leadership.

The course spans over one year covering lessons in politics, leadership, management, governance and policy. The lectures are taken by academicians, politicians, ministers, civil servants, journalists, social activists and subject experts. The course also includes a three-week long election study tour during Vidhan Sabha elections in a state and a tour of the national capital.
