

MODEL INTERNATIONAL
LEADERS MEET

MODEL G20

GLOBAL PARTNERSHIPS: CHALLENGES & OPPORTUNITIES

Model International Leaders Meet is a conference/meet platform that aims to give youth leaders an opportunity to develop their public speaking skills, research ability and diplomacy. This year, we celebrate India's Presidency of G20; MILM 2023 opens the floor for the youth to put forth their position and opinions as a representative of an allotted country on the theme of Global Partnerships: Challenges & Opportunities. The event has three tracks: Main track (G20), Finance track (F20) and Civil society track (C20).

LEARNING OBJECTIVES:

- To understand the working of G20 and measures taken by different countries towards it.
- To promote third-person perspective thinking.
- To understand global challenges and opportunities through partnership.
- To gain more exposure and understanding of international relations.
- To document present measures taken by countries and to encourage innovative ideas which can be implemented in the future for the betterment of the world.
