

Post Graduate Programme in Leadership, Politics and Governance

- IIDL students visited and stayed in the tribal hamlets of Nandurbar for a week as a part of the rural excursion programme introduced in IIDL PGP this academic year. Yojak partnered IIDL and designed the excursion which included staying with tribal families in groups of two, visiting the market, source of drinking water, anganwadi, school along with meeting the village and panchayat officials.
- Modules on International Relations, Introduction to India's Administrative Structure were completed this month.

- Dr Shashank Patel, Dr Suraj Pandit, Pulind Samant and Nikhil Nangude were some of the faculties who interacted with students.

- The visit to the Central Railways HQ i.e. UNESCO world heritage site, Chhatrapati Shivaji Maharaj Terminus (CSMT) was a valuable learning experience for IIDL students. The students visited the museum and got a guided tour of the building which is one of the most iconic landmarks of Mumbai, along with an interaction with the Chief Divisional Operation Manager of Central Railways and a visit to the control and command room.

- IIDL students also visited Wankhede Stadium and interacted with Ajinkya Naik, Secretary of the Mumbai Cricket Association (MCA) who explained the structure of the MCA and the functioning of cricketing bodies.
